

Unduplicated Immediate Needs Waiting List Count by Presumptive Eligibility Type (FY2006)

This point-in-time count includes the immediate needs waiting list as of June 30 th of the most recent fiscal year. Below are the “presumptive” eligibilities that have been determined for these individuals. Although “presumptive” eligibilities are generally accurate, a person’s actual eligibility is not determined until he or she enters Division services.

MR/RC Waiver counts include all individuals with a “SM” eligibility code.

MR/RC Non-Waiver counts include all individuals with a “SG” eligibility code.

Brain Injury Waiver counts include all individuals with a “BM” eligibility code.

Brain Injury Non-Waiver counts include all individuals with a “BG” eligibility code.

Physical Disability Waiver counts include all individuals with a “PM” or “PN” eligibility code.

Physical Disability Non-Waiver counts include all individuals with a “PG” eligibility code.
